Pacaso Expands International Presence with New Caribbean Listings in Anguilla, Bahamas, British Virgin Islands, Cayman Islands and St. Barts

New release builds on demand for turnkey, premium residences in Caribbean destinations

SAN FRANCISCO, July 10, 2025 / PRNewswire/ -- Pacaso, the tech-enabled marketplace for co-owned luxury vacation homes, today announced the launch of its Caribbean listings, bringing professionally managed, designer-furnished second-home options to Anguilla, the Bahamas, the British Virgin Islands, the Cayman Islands and St. Barts. This expansion builds on Pacaso's collection of more than 40 destinations worldwide and answers accelerating demand for turnkey, premium residences in year-round destinations with fantastic weather, abundant natural beauty and light-touch tax jurisdictions, a trend highlighted in Knight Frank's latest Caribbean insight report.

"Following the tremendous success of our European launches inParis, London and, most recently, Italy, we're thrilled to introduce Pacaso's co-ownership model to the Caribbean," said **Austin Allison, CEO and Co-Founder of Pacaso**. "Buying abroad can feel daunting—different languages, legal systems, time zones and financing rules. Pacaso eliminates that friction with a dedicated cross-border transaction team that handles everything from local legal and tax compliance to USD-denominated financing and currency management, so owners enjoy the same clarity and protections they would expect in the U.S."

Featured home: Kempa Kai, Rum Point, Grand Cayman

A 9,000-square-foot, <u>Balinese-inspired beachfront estate</u> on Grand Cayman's serene Rum Point, this six-bedroom, six-and-a-half-bath residence offers an infinity-edge pool, private beach access, expansive outdoor living spaces and panoramic Caribbean Sea views—perfect for large families or groups seeking both privacy and resort-level amenities.

A friction-free path to island ownership

Pacaso's fully managed model transforms luxury second-home buying by delivering:

- Cross-border expertise & compliance A seasoned international closing team navigates local title, tax and zoning
 regulations, while Pacaso's in-house counsel ensures every purchase is structured for optimal protection and
 transparency.
- **USD financing & currency management** Pacaso partners with global lenders and acts as corporate guarantor, often offering competitive USD-denominated financing, and reduces up-front equity requirements.
- Fractional ownership with global flexibility Owners purchase 1/8-1/2 shares, schedule stays through Pacaso's app and can access the Pacaso Swap program to trade time with homes in other countries.
- **Turnkey experience & concierge care** Every home is designer-furnished and professionally managed; local, bilingual home managers coordinate everything, so owners arrive to a spotless, ready-to-enjoy residence.
- Streamlined resale marketplace When lifestyle needs change, owners can resell their share at market value through Pacaso's robust buyer marketplace, typically achieving liquidity in a fraction of the time of traditional second-home sales.

With its Caribbean debut, Pacaso continues to meet global appetite for effortless luxury living abroad while deepening relationships with local architects, legal advisors and property-management partners to ensure compliance with island-specific regulations and preserve each community's character.
